

2019 AAUT NEWSLETTER #1

20 MARCH 2019

2019 Timeline

We are pleased to be able to confirm that the Australian Awards for University Teaching will be run again in 2019.

Submissions will be due around **August/September**, so start working with your applicants to prepare nominations. More information will be provided soon.

There will be a single submission date for all three award types: Citations, Program Awards and Teaching Awards.

Evaluation Results

Thanks to everyone who completed the evaluation survey for 2018. Your feedback has been invaluable and we are working hard to improve the scheme based on your suggestions.

- Many of you were keen to have the scheme run earlier in the year, and have longer lead times in which to prepare applications.

State-Based Award Ceremonies

Congratulations to WA, NSW, QLD and SA/NT who are hosting state-based award ceremonies to recognise the achievements of their AAUT Recipients.

Institutional Contact Officers

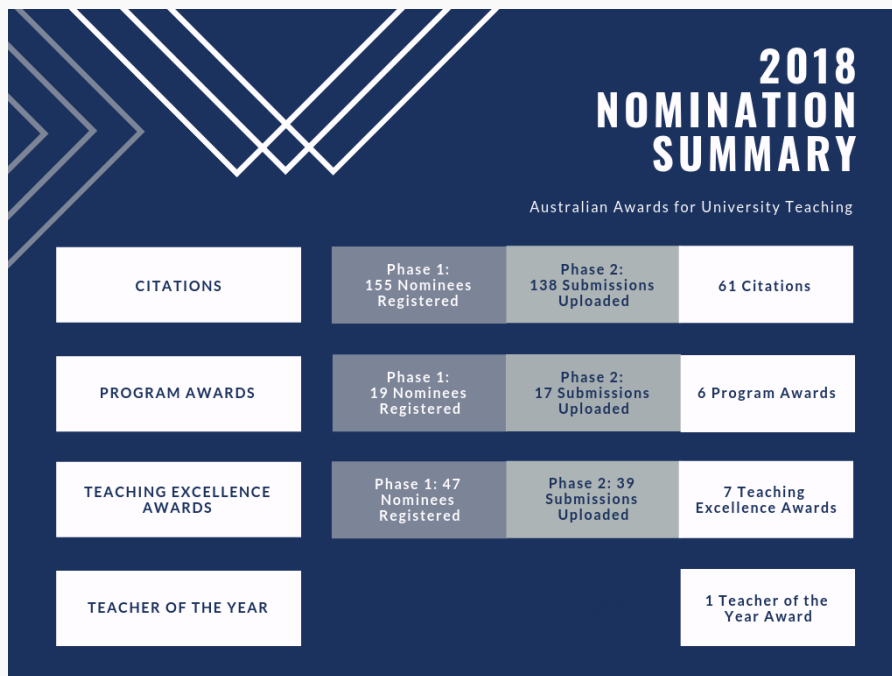

Before the start of the 2019 AAUT round, we would like to confirm a **SINGLE ICO** for each institution. The ICO will be responsible for uploading all nominations, and will be the central point of contact for AAUT guidelines, results and feedback. Others are welcome to be on the mailing list and will receive all communications. Please see the table below and confirm

- We heard your feedback on the forms of evidence, and are working to simplify and clarify those for this year.
- We are working to create a more streamlined assessment process that does not impinge on assessor's end of year break.

that we have the correct contact details for your institution's ICO.

Unsuccessful Nominee Feedback

Please note, unsuccessful nominee feedback will be sent to each ICO to distribute by the 29th of March 2019.
