

AUSTRALIAN AWARDS
FOR UNIVERSITY TEACHING

NEWSLETTER #9

1 December 2020

Dear Colleagues

A heartfelt thank you to all the institutions for your support towards the awards throughout this year. It has been a challenging year yet together we have managed to deliver another successful round of awards.

In this newsletter, I would like to thank the 165 assessors who volunteered their time from their busy schedules to complete the assessment. It's great to see an extraordinary number of academics wanting to give back to the sector, promote teaching and learning, and provide feedback to improve the next iteration of the AAUT awards.

We are currently analysing the ICO evaluation survey responses and have provided some preliminary insights from the response below.

This year, we are pleased to receive 12 Career Achievement Award nominations. The outcome will be released together with the AAUT awards on the 10th February 2021.

In addition, we are in discussions with institutions regarding potential state-based ceremonies to celebrate our successful citation recipients during 2019 - 2020. Stay tuned for more details to come.

Finally, the AAUT Awards team will be on leave from Thursday 24th December 2020 to Monday 11th January 2021. The awards team will remain at Swinburne University until 22nd January 2021 and will transition to RMIT on Monday 25th January 2021.

Enjoy your well-deserved end of year break and see you all in 2021!

Regards
-Angela
